OCALA LOST TO ORLANDO

In a fast game yesterday afternoon Ocala lost to Orlando without reaching third base during the nine innings and not securing a safe hit. Smith for Orlando pitched a splendid game and he had the support behind him when a scratch hit did occur.

No runs were made until the fourth, when Donaldson for Orlando, brother of Ocala's red-headed second baseman, came to bat and lined out a two-base hit over the head of the left fielder, who was playing too far in and couldn't get back. Barnett hit to Brown, who fumbled and tried to put Donaldson out at third, but failed. Barnett stole second, McCormick hit a hot one through short and Donaldson and Barnett scored. Smith was passed to first on four wild ones and Limerick was given four more. With the bases full and none out, Glass hit one past third and McCormick and Smith scored. Bennett hit to right, Izlar caught him out and doubled Limerick at the plate. Haves out on a fly to Dick Dodge.

This ended the run getting for the game. The locals settled down and made no more errors and allowed the visitors no more chances, but the game was won, as Smith held the locals down, only one man getting to second during the entire game.

The same teams will play again today and tomorrow, and judging from the game yesterday the two games will be very interesting. Both teams showed up well yesterday and while it looked as if Ocala was outclassed, the battery Orlando played yesterday was evidently her strongest and a change of pitchers is to the home team's advantage.
